**NOTICE OF IMPENDING SETTLEMENT**

Plaintiff Barrette Outdoor Living, Inc. (“Barrette”) respectfully informs the Court that the parties appear to be in the final throes of executing their settlement agreement. In particular, the Defendant has executed the document and the Plaintiff (Barrette) will execute the document very soon (for technological and logistical reasons, Barrette cannot execute it today, but intends to do so on Monday, August 31). The parties have agreed that once the parties have both executed the settlement agreement document, the lawyers for the parties will file a document with the Court to bring the suit to a conclusion. Moreover, the parties have already agreed on the form and language of that case-concluding document.

Thus, once Barrette executes the settlement agreement on August 31, the parties will submit a document more or less immediately to end the lawsuit.

Counsel for Barrette is mindful of the fact that the Court has ordered the parties to file a paper to end the suit or submit a scheduling order by today, August 28, 2015. Counsel for the parties, and the parties themselves, have made good-faith efforts to comply with this most recent order from the Court by today, but for technological and logistical reasons, as alluded to above, cannot comply today. In light of the fact that the parties are on the verge of submitting a case-terminating document, the undersigned counsel for Barrette respectfully asks for the Court's indulgence while the parties wrap this case up completely. The undersigned expects that this will all be taken care of in the next business day or two.

Respectfully submitted this 28<sup>th</sup> day of August, 2015.
